Richardson 88-Note Player Piano : : \$350

Walters 88-Note Player Piano : \$395

Walters 88-Note De Luxe Player \$600

This wonderful instrument will prove a revelation to the large army of music lovers whose great ambition is to know how to play the Piano. You need not be a musician in order to play your favorite compositions, whether your taste tends toward popular or classical music.

The Walters Player Piano is a masterpiece of the mechanical mind. It surpasses all other Player Pianos in ease of operation; the expression devices are of the simplest and most improved type, thereby assuring the greatest amount of durability.

As a regular Piano, it can be played by hand in the usual way, the player mechanism being entirely separate, thus in no way interfering with the performer.
